RECITALS

WHEREAS, Borrowers and Lender are parties to a certain Amended and Restated Loan and Security Agreement, dated as of August 24, 2010, as amended from time to time (the “**Pre-Petition Loan Agreement**”), pursuant to which, among other things, Lender has made loans, advances and certain other financial accommodations to Borrowers (collectively, the “**Pre-Petition Liabilities**”). As security for the payment and performance of Borrowers’ obligations under or in connection with the Pre-Petition Loan Agreement and the Pre-Petition Liabilities, Borrowers granted to Lender liens and security interests against certain of Borrowers’ property; and

WHEREAS, on October 27, 2010 (the “**Petition Date**”), Borrowers commenced Chapter 11 cases (as jointly administered, collectively, the “**Chapter 11 Case**”) by filing voluntary petitions (collectively, the “**Petition**”) for relief under the Bankruptcy Code as hereinafter defined, in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the “**Court**”); and

WHEREAS, Borrowers continue to operate as debtors-in-possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code; and

WHEREAS, Borrowers have requested that Lender enter into certain financing arrangements with Borrowers pursuant to Sections 364(c)(1), (c)(2), (c)(3) and (d) of the Bankruptcy Code for such purposes as are hereinafter described in this Agreement; and

WHEREAS, Borrowers have been unable to obtain debtor-in-possession financing on an unsecured basis or on terms as favorable or more favorable than the terms provided herein, and an immediate need exists for each Borrower to obtain funds to continue in the operation of its business;

WHEREAS, to provide security for, and to assure the repayment of the Obligations, the Borrowers have agreed to provide to Lender, among other things, security interests in all of their

property and interests, whether real or personal, tangible or intangible, on the terms and conditions set forth herein and in accordance with Sections 364(c)(1), (c)(2), (c)(3) and (d) of the Bankruptcy Code;

WHEREAS, Lender is willing to make such loans and provide such financial accommodations to Borrowers, subject to the terms and conditions of this Agreement and subject to the terms and conditions set forth in the DIP Orders approving the proposed financing; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. LOANS AND CREDIT ACCOMMODATIONS.

1.1 Amount.

Subject to the terms and conditions in this Agreement, at Borrowers' request and provided that no Default or Event of Default exists, Lender may, in its sole discretion, make Advances to Borrowers during the Term, to the extent that there is sufficient Availability at the time of such request to cover, dollar for dollar, the requested Advance, and further provided that after giving effect to such Advances, the outstanding balance of all monetary Obligations will not exceed the Maximum Loan Amount plus the funded Last-Out Participation and plus the funded Additional Participation. For this purpose, "Availability" means, on any date, an amount equal to:

(i) the Eligible Accounts on such date multiplied by the Accounts Advance Rate;

plus

(ii) the Eligible Inventory on such date multiplied by the Inventory Advance Rate, provided, however, the portion of Availability with respect to Eligible Inventory shall be limited to the lesser of (a) the Maximum Inventory Loan or (b) the outstanding Advances against Eligible Accounts;

plus

(iii) the amount of the funded Last-Out Participation;

plus

(iv) the amount of the funded Additional Participation (if any);

minus

(v) all Reserves which Lender has established pursuant to Section 1.2 (including any to be established in connection with the requested Advance);

minus

(vi) the outstanding balance of all monetary Post-Petition Obligations on such date;

minus

- (vii) The outstanding balance of the Pre-Petition Debt.

1.2 **Reserve.**

Lender may from time to time in its sole discretion establish and revise such reserves as Lender deems appropriate (“**Reserves**”) to reflect (i) the amount of accrued but unpaid interest with respect to the monetary Obligations on such date, (ii) events, conditions, contingencies or risks which affect or may affect (A) the Collateral or its value, or the Liens and other rights of Lender in the Collateral or (B) the assets, business or prospects of Borrowers or any Obligor, (iii) Lender’s concern that any Collateral or financial information furnished by or on behalf of Borrowers to Lender is or may have been incomplete, inaccurate or misleading in any material respect, (iv) any fact or circumstance which Lender determines in its sole discretion constitutes, or could constitute, a Default or Event of Default, (v) the Carve-Out Reserve, or (vi) any other events or circumstances which Lender determines in its sole discretion make the establishment or revision of a Reserve prudent. Lender may, in its sole discretion, establish and revise Reserves by deducting them in determining Availability or by reclassifying Eligible Accounts as ineligible. In no event shall the establishment of a Reserve in respect of a particular actual or contingent liability obligate Lender to make Advances hereunder to pay such liability or otherwise obligate Lender with respect thereto.

1.3 **Repayment.** Principal and interest shall be paid as stated in the Demand Secured Promissory Note (the “**Note**”) executed by Borrowers in favor of Lender. In addition, if at any time the amount of monetary Obligations exceeds Availability (any such excess, an “**Overadvance**”), or if at any time or for any reason the outstanding amount of Advances extended or issued pursuant hereto exceeds any of the dollar limitations (“**Overline**”), Borrowers will immediately pay to Lender the amount of such Overadvance or Overline. Notwithstanding the foregoing, Lender may, in its sole discretion, make or permit the Advances or any other monetary Obligations that give rise to or constitute an Overadvance or Overline, provided that Borrowers shall, upon Lender’s written demand, pay to Lender such amounts as shall eliminate such Overadvance or Overline on or before two (2) business days after receipt of such written demand; provided, however, that Lender has no obligation to provide Advances during such period of time between receipt of written demand by Borrowers and the elimination of any Overadvance or Overline. All unpaid monetary Obligations shall be due and payable in full upon termination of this Agreement on the Termination Date or, if earlier, pursuant to Section 10.2. When the amount of aggregate Advances and Obligations exceed the Maximum Loan Amount, Borrowers shall execute a new Note at the request of Lender to evidence such increased amount.

SECTION 2. CONDITIONS

2.1 **Conditions Precedent to Initial Funding.** The obligation of Lender to make the initial loans hereunder, immediately prior to or concurrently with the making of such loans, is subject to the satisfaction or waiver in writing by Lender of the following conditions precedent:

(b) **Officer's Certificate.** Lender shall have received an executed Officer's Certificate of each Borrower, signed by Jay Krasoff satisfactory in form and substance to Lender, certifying that as of the Closing Date (i) the representations and warranties contained herein are true and correct in all material respects, (ii) each Borrower is in compliance with all of the terms and provisions set forth herein and (iii) no Default or Event of Default has occurred.

(c) **Disbursement Authorizations.** The Borrowers shall have delivered to Lender all information necessary for Lender to issue wire transfers on behalf of each Borrower for the initial and subsequent advances to be made under this Agreement, including disbursement authorizations in form acceptable to Lender, signed by either Jay Krasoff, or other authorized signer approved by Lender, in its sole discretion, after the date of this Agreement.

(d) **Legal Restraints/Litigation.** As of the Closing Date and other than the Chapter 11 Case, there shall be no (x) injunction, writ or restraining order restraining or prohibiting the consummation of the financing arrangements contemplated under this Agreement, or (y) suit, action, investigation or proceeding (judicial or administrative) pending against any Borrower, any Guarantor, any subsidiary of any Borrower or any of their assets, which, in the opinion of Lender, if adversely determined, could have a Material Adverse Effect and which is not subject to the Automatic Stay.

(e) **DIP Loan Documents.** The Borrowers and all other persons and entities party to the DIP Loan Documents (other than Lender) shall have executed and delivered to Lender this Agreement and the other DIP Loan Documents necessary to consummate the lending arrangement contemplated by this Agreement, including without limitation, the Procedures Letter.

(i) **Interim Order.** The Interim Order, in form and substance satisfactory to Lender, shall (i) have been entered by the Court, (ii) be in full force and effect, and (iii) not have

been vacated, reversed, modified (other than with the written consent of Lender), appealed or stayed in any respect.

(j) **First Day Orders.** All of the “first day orders” entered by the Court at the time of the Chapter 11 Case shall be in form and substance satisfactory to Lender.

(k) **Court Approval.** The Court shall issue a written approval of this Agreement in form and substance satisfactory to Lender, in its sole discretion.

(l) **Organizational Action.** All requisite corporate and legal action in connection with this Agreement and the other DIP Loan Documents shall have been taken in a manner satisfactory to Lender, in its reasonable discretion, including, but not limited to, the merger of Materials and Green.

(m) **Other Documents.** All other documents and legal matters in connection with the transactions contemplated by this Agreement shall have been delivered, executed or recorded and shall be in form and substance reasonably satisfactory to Lender.

Upon the execution of this Agreement and the initial disbursement of the initial loans hereunder, all of the above conditions precedent shall have been deemed satisfied, except as the Borrowers and Lender shall otherwise agree in a separate writing.

2.2 **Conditions Subsequent.** Borrowers are obligated to perform (or others shall have performed as appropriate), according to the terms set forth herein, each of the following conditions subsequent, time being of the essence:

(a) **Last-Out Participation.** JK Air and Chiron shall fund the Last-Out Participation.

(b) **Leasehold Mortgage.** To the extent not previously provided, Borrowers shall use best efforts to deliver to Lender, within fifteen (15) days of the Closing Date, consents from the lessors and fully executed leasehold mortgages granting Lender a first priority lien against Borrowers’ leasehold interest in (i) that certain Commercial Lease Agreement (as amended from time to time, the “**Garland Lease**”), effective as of September 18, 2007, by and between the City of Garland, Texas, a Texas municipal corporation, as lessor, and Garland GAI, Inc., a Texas corporation, as lessee; and (ii) that certain Lease Agreement (as amended from time to time, the “**Recycled Lease**”), effective September 1, 2001, by and between J & W Sand & Gravel, Inc., a Texas corporation, as lessor, and Recycled Aggregates, Inc., a Texas corporation, as lessee, in form and substance satisfactory to Lender in its sole discretion.

(c) **Reports and Certificates.** All reports and certificates provided by Borrowers related to this Agreement shall be certified by Jay Krasoff or other authorized signer or officer approved by Lender after the date of this Agreement.

Failure of Borrowers (or others) to comply with the Conditions Subsequent listed in this **Section 2.2** shall constitute an Event of Default and avail Lender of all rights and remedies contained herein.

SECTION 3. ADVANCES TO COVER INTEREST AND FEES; FEES AND EXPENSES.

3.1 Interest.

Principal and interest shall be paid as stated in the Note executed by Borrowers in favor of Lender contemporaneously herewith. The parties agree that, and Borrowers instruct Lender that, immediately upon accrual of interest and other charges provided for herein and in the Note, such interest and other charges shall be paid by Advances and charged to Borrowers' Loan Account with Lender. Such Advances shall thereafter bear interest and be subject to other charges upon the same terms as other Advances, and such Advances are agreed by the parties to be principal pursuant to O.C.G.A. Section 7-4-2(A)(3). Borrowers specifically agree, by execution of this Loan Agreement and Note, to this treatment of all accrued but unpaid interest and other charges hereunder and under the Note.

3.2 Fees and Expenses.

In addition to all interest and other sums payable by Borrowers to Lender under this Agreement, Borrowers shall pay Lender the fees and reimbursements listed on **Schedule B**, which are and shall be deemed earned in full on the date when same is due and payable hereunder and shall not be subject to rebate or proration upon termination of this Agreement for any reason.

3.3 Loan Account.

Lender shall maintain a loan account in the name of Borrowers, reflecting all Advances, charges, fees, expenses and payments made pursuant to this Agreement (the "**Loan Account**"). Lender shall provide Borrowers with commercially reasonable electronic access to information about Borrowers' Loan Account (the "**Online Statement**"); provided, however, that Lender shall not be liable to Borrowers for any damages suffered by Borrowers as a result of the temporary failure or unavailability of or the lack of updates to the Online Statement. All information posted to the Online Statement shall be deemed to have been delivered to Borrowers and, unless Borrowers notify Lender in writing to the contrary (including a detailed description of the alleged error or omission) within 45 days after such information is made available to Borrowers, the Online Statement shall be deemed correct, accurate and conclusively binding on Borrowers as an account stated (except for reverses and reapplications of payments made and corrections of errors discovered by Lender).

3.4 Expense Reimbursement.

Borrowers shall reimburse Lender for (i) any Extraordinary Expenses incurred by Lender and (ii) all reasonable legal, accounting, appraisal, consulting and other fees and expenses suffered or incurred by Lender in connection with: (a) the negotiation and preparation of any of the Loan Documents and any amendment or modification thereto; (b) the administration of the Loan Documents and the transactions contemplated thereby; (c) action taken to perfect or maintain the perfection or priority of any of Lender's Liens with respect to any of the Collateral; (d) any inspection of or audits conducted by Lender with respect to Borrowers' books and records or any of the Collateral, which shall not be conducted more than four (4) times per twelve (12) month period if no Event of Default has occurred and is continuing; or (e) any effort

by Lender to verify or appraise any of the Collateral. Attorney's fees relating to collection for which Borrowers shall be responsible to reimburse Lender shall be equal to actual fees and expenses. All amounts chargeable to or reimbursable by Borrowers under this Section 3.4 shall constitute Obligations payable on demand to Lender. The foregoing shall be in addition to, and shall not be construed to limit, any other provision of any of the Loan Documents regarding the indemnification or reimbursement by Borrowers of claims suffered or incurred by Lender.

SECTION 4. SECURITY INTEREST.

4.1 Grant.

To secure the full and timely payment and performance of all of the Obligations, each of the Borrowers hereby grants to Lender a continuing security interest in and Lien upon all assets and interests of Borrowers, whether tangible or intangible, now owned or in existence or hereafter acquired or arising, and wherever located, including but not limited to: (i) all Accounts, Accounts and Securities, Chattel Paper, Furniture, Fixtures and Equipment, Instruments, Investment Property, General Intangibles, Deposit Accounts, Supporting Obligations, Inventory, real estate (fee and leasehold), Other Property, and commercial tort claims (including without limitation any claims or counterclaims in *XTO Energy v. Green Aggregates, Inc. and Congress Materials LLC*, Cause No. 348 235990 09 in the 348th District Court, District Court of Tarrant County, Texas), (ii) all Proceeds and products of all of the foregoing (including proceeds of any insurance policies and claims against third parties for loss or any destruction of any of the foregoing), and (iii) all books and records relating to any of the foregoing.

4.2 Lien Perfection.

(a) Lender's liens and security interests in and to the Collateral shall attach to all Collateral without further action on the part of Lender or the Borrowers (or any of them). The liens and security interests and priority granted to the liens and security interests in favor of Lender pursuant to the Interim Order and hereunder shall be perfected by operation of law upon execution of the Interim Order by the Court. Lender shall not be required to file any UCC-1 financing statements, mortgages or any other document, or take any other action (including possession of any of the Pre-Petition Collateral or Post-Petition Collateral) in order to validate or perfect the liens and security interests granted to Lender hereunder or under any of the other DIP Loan Documents, as all such liens and security interests shall be deemed automatically perfected as of the date of the Interim Order. If Lender shall, in its sole discretion, choose to file such UCC-1 financing statements (or amendments to or continuations of any existing financing statements), mortgages and otherwise confirm perfection of such liens and security interests, all such financing statements, mortgages or similar instruments shall be deemed to have been filed or recorded at the time and on the date of entry of the Interim Order. Lender may, in its sole discretion, file a certified copy of the Interim Order or the Final Order in any filing or recording office in any jurisdiction in which any Borrower has or maintains any Pre-Petition Collateral or Post-Petition Collateral or an office or is organized. The liens and security interests granted to Lender pursuant to the provisions of this Agreement and pursuant to any of the other DIP Loan Documents shall be in addition to all liens conferred upon Lender by the Court pursuant to the terms of the DIP Orders.

(b) The liens and security interests granted pursuant to the terms of this Agreement and the other DIP Loan Documents, and the liens and security interests conferred upon Lender pursuant of the DIP Orders, shall constitute (i) pursuant to Section 364(c)(1) of the Bankruptcy Code, a “super-priority” administrative expense claim except to the extent of, and up to, the Carve-Out, (ii) pursuant to Section 364(c)(2) of the Bankruptcy Code, a first priority lien upon or security interest in all of the Collateral that is not otherwise encumbered by a validly perfected security interest or lien in existence on the Petition Date that has not been primed; (iii) pursuant to Section 364(d)(1) of the Bankruptcy Code, a first priority, senior priming lien upon or security interest in all of the Collateral, subject only to valid and unavoidable Permitted Encumbrances that are in existence on the Petition Date and that, under applicable law, are senior to and have not been subordinated to the liens and security interests of Lender in connection with the Pre-Petition Loan Agreement; and (iv) pursuant to Section 364(c)(3) of the Bankruptcy Code, a junior priority lien upon or security interest in all of the Collateral that is subject to a validly perfected and unavoidable Permitted Encumbrance in existence at the time of the commencement of the Chapter 11 Case or in existence at the time of such commencement that is perfected subsequent to such commencement as permitted by Section 546(c) of the Bankruptcy Code, in each case, only to the extent the Permitted Encumbrance has not been subordinated to the liens and security interest of Lender in connection with the Pre-Petition Loan Agreement. Except as expressly provided in the DIP Orders, no expenses, costs or charges in connection with the Chapter 11 Case shall be charged against the Collateral or Lender under Section 506(c) of the Bankruptcy Code, and the Borrowers hereby waive any rights they have to seek such charges under Section 506(c) of the Bankruptcy Code.

4.3 **Further Assurances.**

Borrowers agree to comply with all Applicable Laws to perfect Lender’s Lien in the Collateral and to execute such documents as Lender may require to effectuate the foregoing and to implement this Agreement. Borrowers irrevocably authorize Lender to file financing statements, and all amendments and continuations with respect thereto, in order to create, perfect or maintain it’s Lien in the Collateral as a duly perfected Lien, subject to no other Liens except Permitted Liens listed on **Schedule C**. Borrowers hereby ratify and confirm any and all financing statements, amendments and continuations with respect thereto heretofore and hereafter filed by Lender pursuant to the foregoing authorization.

SECTION 5. ADVANCES AND ADMINISTRATION.

5.1 **Advance Requests.**

Whenever Borrowers desire to obtain an Advance, Borrowers shall give Lender notice of such borrowing request telephonically (and confirmed in writing if requested by Lender) or by facsimile or electronic mail transmission no later than 11:00 a.m. Eastern Standard Time (“**EST**”), or, if in effect, Daylight Savings Time (“**DST**”) on the Business Day of the requested borrowing, and notices (in the form stipulated herein) received by Lender after 11:00 a.m. EST or DST, whichever is in effect, shall be deemed received on the next Business Day and notices received other than in the form stipulated herein shall be ineffective and deemed not received by Lender. Unless payment is otherwise timely made by Borrowers, the becoming due of any amount required to be paid with respect to any of the Obligations (including any interest thereon)

shall be deemed irrevocably to be a request (without any requirement for the submission of a notice of borrowing) for an Advance on the due date of and in an aggregate amount required to pay such Obligations and the proceeds of such Advance may be disbursed by way of direct payment of the relevant Obligations, provided that Lender shall have no obligation to honor any deemed request for an Advance on or after the date on which this Agreement is terminated pursuant to Section 10.2, or when an Overadvance exists or would result from such funding or when any applicable condition precedent is not satisfied, but Lender may do so in its sole discretion and without regard to the existence of, and without being deemed to have waived, any Default or Event of Default and regardless of whether such Advance is made after the date on which this Agreement is terminated due to the occurrence of the Termination Date or otherwise pursuant to Section 10.2. Subject to the approval in the Interim Order and/or Final Order, the outstanding principal amount of the Pre-Petition Debt shall, automatically and without any action on the part of any Person, under this Agreement constitute and be deemed to be an Advance made under, and in accordance with, this Agreement.

5.2 Use of Proceeds.

In accordance with the DIP Orders, the proceeds of the Advances shall be used by Borrowers solely for one or more of the following purposes and then only in accordance with the Budget: (i) to pay the fees and transaction expenses associated with the closing of the transactions described herein, including payment of professionals' fees and expenses incurred by Borrowers in the Chapter 11 Case, allowable interest with respect to Pre-Petition Debt and other Pre-Petition Liabilities to the extent, if any, authorized by the DIP Orders; (ii) to pay any of the Obligations; and (iii) to make expenditures for other lawful corporate purposes of Borrowers to the extent such expenditures are not prohibited by this Agreement or Applicable Law. In no event may any Loan proceeds of an Advance, any Collateral proceeds or any amounts paid from the Carve-Out Reserve be used by any Borrower to purchase or to carry, or to reduce, retire or refinance any indebtedness incurred to purchase or carry, any margin stock or for any related purpose or be used to pay any fees and expenses incurred in (i) seeking to avoid, invalidate, subordinate, or otherwise impair any Pre-Petition or Post-Petition claims of Lender, (ii) seeking to recover on any claims against or transfers made to Lender, or (iii) seeking to prevent, hinder or delay Lender from enforcing or realizing upon any of the Collateral.

5.3 Priority of All Advances.

All Obligations of Borrower and Advances made hereunder by Lender to Borrowers shall constitute and be deemed a cost and expense of administration in the Chapter 11 Case and shall be entitled to priority under Section 364(c)(1) of the Bankruptcy Code ahead of all other costs and expenses of administration of the kind specified in Sections 503(b), 506(c), 507(a) or 507(b) of the Bankruptcy Code, except as otherwise expressly provided in the DIP Orders and except to the extent of, and up to, the Carve-Out permitted under this Agreement.

5.4 Remittance of Collections and Other Proceeds and Procedures.

Borrowers shall notify all Account Obligors to direct all Collections to the remittance address provided by Lender in the Procedures Letter (the "**Remittance Address**"). Lender shall retain the sole discretion to require Borrowers to enter into a bank agreement or other agreement

governing the remittance of Collections, which agreement shall be in form and substance acceptable to Lender and only Lender shall have access to withdraw or otherwise direct the disposition of Collections. In the event that Borrowers receive any Collections or other proceeds of Collateral, Borrowers shall promptly upon receipt (and in all events within two (2) Business Days of receipt by Borrowers) remit in kind such Collections or other proceeds of Collateral directly to the Remittance Address and promptly notify Lender of such event. Until so forwarded, any such Collections or other proceeds of Collateral received by Borrowers shall not be commingled with Borrowers' other funds and shall be held by Borrowers, as trustee of an express trust, for Lender's benefit, subject to the terms and conditions hereof. In the event any Collections are received by Borrowers but not remitted to Lender in the time and manner specified herein, the Misdirected Payment Fee set forth on **Schedule B** shall be assessed and charged to the Borrowers' Loan Account. Borrowers shall specify the Remittance Address on all agreements and contracts, and take all necessary steps to ensure all Collections are directed to the Remittance Address. On all invoices Borrowers will place the Payment Notice that each invoice shall only be paid to the Remittance Address. All invoices shall be mailed or otherwise transmitted by Borrowers to Account Obligors within five business days of issuance. With each Advance request, Borrowers will provide Lender with copies of all invoices as set forth in the Procedures Letter along with any other information as Lender may reasonably request. Borrowers will provide Lender with proof of delivery on all invoices within two (2) business days of the Advance request.

5.5 Application of Payments.

Lender may, in its sole discretion, apply, reverse and re-apply all Collections and other proceeds of Collateral or other payments received with respect to the Obligations, in such order and manner as Lender shall determine, whether or not the Obligations are due, and whether before or after the occurrence of a Default or an Event of Default. Unless this Agreement expressly provides otherwise or the Pre-Petition Debt is deemed an advance under this Agreement pursuant to Section 5.1, Lender agrees to apply all proceeds of Collateral of a Borrower to pay the Pre-Petition Debt to the extent that Lender is not prohibited under any DIP Order from applying such proceeds to the Pre-Petition Debt, next, to the Loan Account and thereafter, to payment of any other Obligations then outstanding. For purposes of determining Availability, funds received at the Remittance Address will be credited to the Loan Account upon Lender's receipt of notice that such items have been credited to the Payment Account, subject to final payment and collection; provided, however, that for purposes of computing interest on the Obligations, such items shall be deemed applied by Lender two Business Days after Lender's receipt of advice of deposit in the Payment Account. If, as the result of Lender's application of Collections to the Obligations as authorized by this Section 5.5 a credit balance exists in favor of Borrowers (meaning that, on any date of determination, the collected balance of Collections after the applicable cutoff time on such date exceeds the outstanding principal balance of (and all interest, fees and other amounts payable with respect to) the Obligations after the applicable cutoff time on such date), such credit balance shall not accrue interest in favor of Borrowers, but shall be available to, and promptly paid by Lender to Borrowers upon Borrowers' request, at any time or times for so long as no Default or Event of Default exists and is continuing.

5.6 Notification; Verification.

Lender or its designee may, from time to time and to the extent permitted by Applicable Law, whether or not a Default or Event of Default has occurred: (i) verify directly with the Account Obligors the validity, amount and other matters relating to the Accounts, by means of mail, telephone or otherwise, either in the name of any Borrower or Lender or such other name as Lender may choose; (ii) notify Account Obligors that Lender has a Lien in the Accounts and that payment thereof is to be made directly to Lender; and (iii) demand, collect or enforce payment of any Accounts (but without any duty to do so).

5.7 Power of Attorney.

Borrowers hereby make, constitute and appoint each of Lender's officers or agents as Borrowers' attorney-in-fact with full power of substitution, in the name of Borrowers or in the name of Lender, but for Lender's use and benefit, to do or perform at any time, in Lender's discretion, any of the following: (i) at any time, irrespective of whether there exists an Event of Default, receive, open and dispose of all mail addressed to any Borrower and endorse Borrowers' names on any checks or other payment items with respect to any Collateral and to deposit same and apply them to such of the Obligations as Lender may elect; and (ii) at any time that an Event of Default exists, cause all mail to be diverted from any post office box in Borrowers' name to a post office box or other address designated by Lender; demand, sue for, collect and receive monies due or to become due on any Accounts and to settle, compound, compromise or extend the time of payment of any Account or other Collateral upon terms acceptable to Lender without releasing Borrowers from any liability to Lender, and do such other and further acts in Borrowers' name which Lender may deem necessary or desirable to enforce any of the terms of this Agreement or to collect any of the Obligations or realize upon any Collateral. This power, being coupled with an interest, is irrevocable.

5.8 Books and Records.

Borrowers irrevocably authorize all accountants and third parties to disclose and deliver to Lender, at Borrowers' expense, subject to attorney-client privilege, all financial information, books and records, work papers, management reports and other information in their possession regarding Borrowers. In addition, Lender may, in its sole discretion, at any time or times exercise all of the rights and remedies of a secured party under the UCC or any other Applicable Law and all other legal and equitable rights to which Lender may be entitled under any of the Loan Documents, all of which rights and remedies shall be cumulative and shall be in addition to any other rights or remedies contained in any of the Loan Documents or available pursuant to Applicable Law, and none of which shall be exclusive. Borrowers agree that any requirement of notice to Borrowers of any proposed public or private sale or other disposition of any Collateral by Lender shall be deemed reasonable notice thereof, if given at least seven (7) days prior thereto. Lender may purchase all or any part of the Collateral at a public sale or, if permitted by Applicable Law, at any private sale, and, in lieu of actual payment of such purchase price, may set off the amount of such price against the outstanding Obligations. shall not operate as a waiver of such performance, liens, rights, powers, and remedies, but all such rights, Liens, powers, and remedies shall continue in full force and effect until all of the Obligations have been fully satisfied. If, following the entry of the DIP Order, an Event of Default has occurred, the Borrowers irrevocably waive any right they may have to use cash collateral under Section 363 of the Bankruptcy Code without Lender's express, written consent.

Any judicial proceeding commenced by Borrowers against Lender involving, directly or indirectly, any matter in any way arising out of, related to or connected with any Loan Document shall be brought only in the Court or a United States federal court sitting in or with direct jurisdiction over the Northern District of Georgia or in any Georgia state or superior court sitting in Fulton County, Georgia. Nothing in this Agreement shall be deemed to preclude the enforcement by Lender of any judgment or order obtained in such forum or the taking of any action under this Agreement to enforce same in any other appropriate forum or jurisdiction.

11.4 Waivers by Borrower.

To the fullest extent permitted by Applicable Law, Borrowers waive (i) the right to trial by jury (which Lender hereby also waives) in any action, suit, proceeding or counterclaim of any kind arising out of or related to any of the Loan Documents, the Obligations or the Collateral; (ii) presentment, demand and protest and notice of presentment, protest, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties at any time held by Lender on which Borrowers may in any way be liable and hereby ratifies and confirms whatever Lender may do in this regard; (iii) notice prior to taking possession or control of the Collateral or any bond or security which might be required by any court prior to allowing Lender to exercise any of Lender's remedies; (iv) the benefit of all valuation, appraisal and exemption laws; (v) any claim against any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in respect of any claim for breach of contract or any other theory of liability arising out of, or the taking of any enforcement action, or related to any of the Loan Documents, any transaction thereunder or the use of the proceeds of any Advances; and (vi) notice of acceptance hereof. Borrowers acknowledge that the foregoing waivers are a material inducement to Lender's entering into this Agreement and that Lender is relying upon the foregoing waivers in its future dealings with Borrowers. Each of the Borrowers warrant and represent that it has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

11.5 Severability; Time of the Essence; Ratification of Pre-Petition Debt; Miscellaneous.

If any provision hereof or of any other DIP Loan Document is held to be illegal or unenforceable, such provision shall be fully severable, and the remaining provisions of the applicable agreement shall remain in full force and effect and shall not be affected by such provision's severance. Furthermore, in lieu of any such provision, there shall be added automatically as a part of the applicable agreement a legal and enforceable provision as similar in terms to the severed provision as may be possible. Time shall be of the essence with respect to the Obligations and all requirements of the DIP Loan Documents. Delivery of this Agreement and the other DIP Loan Documents neither extinguishes, discharges or otherwise satisfies any of the duties, obligations or indebtedness (including, without limitation, the Pre-Petition Debt) of the Borrowers and the other Obligors (as those terms are defined in the Pre-Petition Loan Agreement) arising under the Pre-Petition Loan Agreement and the Pre-Petition Loan

Documents, constitutes an accord and satisfaction or novation of the Pre-Petition Debt nor waives any Events of Default existing under and as defined in the Pre-Petition Loan Agreement. The Borrowers hereby agree that, with respect to matters relating to the period before the Closing Date, all of the terms, conditions and other provisions of the Pre-Petition Loan Agreement and the Pre-Petition Loan Documents are hereby ratified and confirmed and shall remain in full force and effect. All amounts payable under the DIP Loan Documents are payable in the good and immediately available funds in the legal tender of the United States of America.

11.6 **Joint and Several Liability.**

(a) **Joint and Several Liability of Borrowers.** Each Borrower jointly and severally agrees to pay, and shall be jointly and severally liable for the payment and performance of all Obligations. Each Borrower acknowledges and agrees that the joint and several liability of the Borrowers is provided as an inducement to Lender to provide loans and other financial accommodations to the Borrowers, and that each such loan or other financial accommodation shall be deemed to have been done or extended by Lender in consideration of, and in reliance upon, the joint and several liability of the Borrowers. The joint and several liability of each Borrower hereunder is absolute, unconditional and continuing, regardless of the validity or enforceability of any of the Obligations, or the fact that a security interest or lien in any Collateral may not be enforceable or subject to equities or defenses or prior claims in favor of others, or may be invalid or defective in any way and for any reason. Each Borrower hereby waives: (i) all notices to which such Borrower may be entitled as a co-obligor with respect to the Obligations, including, without limitation, notice of (x) acceptance of this Agreement, (y) the making of loans or other financial accommodations under this Agreement, or the creation or existence of the Obligations, and (z) presentment, demand, protest, notice of protest and notice of non-payment; and (ii) all defenses based on (w) any modification (or series of modifications) of this Agreement or the other DIP Loan Documents that may create a substituted contract, or that may fundamentally alter the risks imposed on such Borrower hereunder, (x) the release of any other Borrower from its duties this Agreement or the other DIP Loan Documents, or the extension of the time of performance of any other Borrower's duties hereunder or thereunder, (y) the taking, releasing, impairment or abandonment of any Collateral, or the settlement, release or compromise of the Obligations or any other Borrower's or Guarantors' liabilities with respect to all or any portion of the Obligations, or (z) any other act (or any failure to act) that fundamentally alters the risks imposed on such Borrower by virtue of its joint and several liability hereunder. It is the intent of each Borrower by this paragraph to waive any and all suretyship defenses available to such Borrower with respect to the Obligations, whether or not specifically enumerated above.

(b) **Subrogation and Contribution Rights.** Each Borrower hereby agrees that until payment in full in cash of all Obligations and termination of all Obligations of Lender hereunder, such Borrower will not exercise any subrogation, contribution or other right or remedy against any other Borrower or any security for any of the Obligations arising by reason of such Borrower's performance or satisfaction of its joint and several liability hereunder. In addition, each Borrower agrees that (i) such Borrower's right to receive any payment of amounts due with respect to such subrogation, contribution or other rights, as well as its right to receive payment of any indebtedness of another Borrower for such Borrower is subordinated to the full and final payment and satisfaction of the Obligations, and (ii) such Borrower agrees not to

demand, sue for or otherwise attempt to collect any such payment until payment in full in cash of all Obligations and termination of all Obligations of Lender hereunder.

(c) **Limitation of Joint and Several Liability.** Notwithstanding any provisions of this Agreement to the contrary, it is the intent of the parties hereto that the joint and several nature of the liabilities of the Borrowers, and the security interests granted by the Borrowers to secure the Obligations, not constitute a fraudulent conveyance under Section 548 of the Bankruptcy Code or a fraudulent conveyance or fraudulent transfer under the applicable provisions of any fraudulent conveyance, fraudulent transfer or similar law of any state, nation or other governmental unit, as in effect from time to time.
